

June 24, 2010

Dear Catholic Schools Supporters,

Are you a golfer? BCS and the BCS Foundation will be hosting two golf tournaments. The Foundation inherited an established tournament last year, while the Ram Scramble was in its second year. After looking at the two tournaments side-by-side we realized they are as different as "night and day" and should have something for just about every golfer.

Have you ever thought about playing golf after dark? "The Full Moon Open", a night time golf event, will be held on July 24th at Yegen Golf Course, and if there are no clouds, the course will be illuminated by the moon. This event is a 4- person scramble which costs \$80.00 a player (\$320 a team). Your fee includes green fees, a cart, a steak dinner and a glow ball. We will start play with a 5:30 p.m. shot-gun, playing the first nine holes in the light, taking a break to eat dinner, and will resume play at dusk with glow balls, and glow sticks to light the way.

The 3<sup>rd</sup> annual Ram Scramble will be on August 11<sup>th</sup> at Lake Hills Golf Course. The cost is \$125.00 per player (\$500 a team) and is a noon shot-gun start. Your fee includes green fees, a cart and a delicious after golf celebration barbeque.

If you are free on both days, have we got a deal for you! You can enter your team in both tournaments for only \$750.00 – that's a \$70.00 savings! We promise that both tournaments will be filled with good food, great prizes, wonderful friends, and loads of fun.

We have attached the registration forms for both tournaments for your review. You can play in one, or the other, or both! The good news is all the proceeds benefit the Billings Catholic Schools and Billings Catholic Schools Foundation. For more information please call Nikki at 252-0252.

IF YOU DON'T, OR CAN'T GOLF, THERE ARE SPONSORSHIP AND VOLUNTEER OPPORTUNITIES AVAILABLE. SPONSORSHIP OPPORTUNITIES FLYER IS ALSO ATTACHED.

Thank you again for all you do to support our schools,

Bernie and Lynn Harrington  
Committee Chairs
